

## Public Information on Program Performance – 2022

### Master of Regional & Community Planning

The Master of Regional & Community Planning, MRCP, at Kansas State University is accredited by the Planning Accreditation Board, PAB, <https://www.planningaccreditationboard.org/>. The PAB requires this information be posted for the Regional & Community Planning program.

#### STUDENT ACHIEVEMENT AS DEFINED BY THE PROGRAM

A signature experience of the MRCP program is completion of an independent capstone experience in the form of a Masters Project and Report or a Thesis. This project, supervised by a committee of Graduate Faculty, allows students to focus on a specific area of professional interest and, in the development of that project, demonstrate the highest level of professional competence they have achieved during their professional education.

In Spring 2022, 5 MRCP students completed a project and report or thesis. Links to the students' documents are available at [https://apdesign.k-state.edu/larcp/rcp/rcp\\_mastersreportstheses.html](https://apdesign.k-state.edu/larcp/rcp/rcp_mastersreportstheses.html)
